Repair Request #8549

ID	#8549
Kind	Maintenance
Campus	Boca
Requester	Ms. Angela
Description	Hello! The AC in Room 5 (Casa II) seems to be not working again, and the room is getting quite hot at the moment. The thermostat inside the classroom is currently showing 77°F, while the second thermostat by the bathroom door has a blinking alert on the left side. Could someone please come by and take a look when possible? We would really appreciate your help. Thank you!
